

IMPORTANT: EZ-sensor® GO is pre-programmed for all vehicles mentioned in the list.
No programming is required before installation for the below applications. Additionally, the sensor can be programmed to any Make Model Year Covered by EZ-sensor®.

WICHTIG: EZ-sensor® GO ist für alle in der Liste aufgeführten Fahrzeuge vorprogrammiert. Für die folgenden Anwendungen ist vor der Installation keine Programmierung erforderlich. Zusätzlich kann der Sensor auf jedes von EZ-sensor® abgedeckte Modelljahr programmiert werden.

List of pre-programmed vehicles – June 2019

Make	Model	Model code	Start of Application	End of Application	EZ-sensor® GO
